

Remarks

Consideration of the following remarks and entry of Figure 52 is respectfully requested prior to examination of the present application.

Figure 52, which illustrates an example infusion device 400, was apparently inadvertently omitted from the application as filed with the Patent Office. However, Figure 52 is referenced in and fully supported by the description of infusion device 400 provided at page 17, line 16 - page 18, line 23 of the present application. In addition, Figure 52 is fully supported by Figure 51 of the present application, which also illustrates all of the components of infusion device 400.

Entry of Figure 52 in the present application is therefore respectfully requested. Please contact the undersigned attorney with any questions regarding this application.

Respectfully submitted,
